RUSSELL BEALE

PROJECT INDUCTION - THE RETURN

PROJECT PROPOSAL

- Concise

  - couple of pages

- Clear

  - what you are doing

  - how you are going to tackle it

  - the challenges

- Coherent

  - feasible plan

PROPOSAL DEADLINES

- 60 credit projects - today 12pm

- 40 credit projects - next Friday 12pm

NOTE ON DEADLINES

- Inspection/demo deadlines will alter slightly to fit around other continuous assessment to balance workloads

NEW - PROPOSAL PEER REVIEW

- Proposals will be reviewed

  - not marked

- by supervisor

- by other academics

- by you

REVIEWING

- Make useful comments for your colleagues

- What is good

- What isn't clear

- Does it have challenge or is it trivial?

- Should take 5-10 minutes per review, 2 reviews to do

BEING REVIEWED

- Assess the comments

  - do they make a valid point?

  - discuss any important ones with your supervisor

FEEDING BACK ON THE PROCESS

- Pinned conversation in Canvas

- Give feedback on how you find this new initiative

  - useful or not

  - how time-consuming?

Version Control

WHAT DOES IT GIVE YOU?

- freedom!

- make and undo changes

- test new ideas

- collaboration
